

HIGH POINT HEAT

Girls Travel Softball League

www.HighPointHeat.com

To Our Sponsors:

The **High Point HEAT Travel Softball** teams are once again gearing up for a new season. Our league will have two teams participating in competitive softball this year. The teams are made up of girls from the Sussex County area

Each year there is always a need for new equipment and gear. Along with these costs, we have indoor practice expenses, instructor fees, charges to join leagues, and entry fees for tournaments. The amount of money needed can be a financial struggle for some families as well as the league so the benefits received from your donations are greatly valued. This is why we are asking for your help.

As a token of our gratitude, each business sponsor will have their company name with a web link displayed on our team website, www.highpointheat.com.

We count on your generosity to help us play ball the best we can. Thank you for your support.

With grateful appreciation,

High Point HEAT Coaches, Players and Fans

The entire **HEAT** family thanks you! Please mail your completed sponsor form and donation to:
